Kauai					TTDC	TTEX FEDC	FEX

Reinvigoration Program

LEPC's submit proposals by January HSERC

- Budget can include contracting planning, execution, and evaluation
- Matching funds will be determined by HSERC
- Counties that submit proposals will have priority on training funds
- Inclusion of state, federal, and private sector partners will be encouraged.
- Disaster related scenarios may be supported with SCD funds

HSERC votes to approve based on proposals

Current Year

- Approximately \$25,000 available in HMEP Planning Funds
- LEPCs will be solicited for proposals to be presented at July 6 HSERC Meeting
- SCD will request grant extension for LEPCs that need more time
- SCD will support matching funds where applicable

State Civil Defense
