

**REGION 4 REGIONAL RESPONSE TEAM NOTICE
For the Standing Regional Response Team Meeting
August 8, 9, and 10, 2006
Erlanger, Kentucky**

Due to an unexpected response in attendance, the following hotels that will grant the Federal per diem rate of \$80 are available for additional lodging areas. Please use these hotels for your stay, as the Holiday Inn has reached its capacity. **Again, it is important for the hotels to know that you are a Federal employee so that you will be honored the \$80 rate.**

Hotel information such as phone numbers, directions, and amenities are located at the following links:

Hilton Cincinnati Airport: www.cincinnatiairport.hilton.com

Cincinnati Airport Marriott: www.cincinnatiairportmarriott.com

The Holiday Inn has reached its capacity for Federal occupancy, thus will not be able to honor **additional guests** at the Federal per diem rate. ***Not to worry, for those of you who have already reserved at the Holiday Inn, they are still honoring the \$80 Federal per diem rate.***

The RRT Conference has relocated to a different locale. The RRT Conference will now convene on Tuesday, August 8, at the [NKU Mets Center](http://www.nku.edu/mets), Erlanger, KY.
