

The RRT IV Training and Education Committee will be sponsoring a training opportunity on February 17th for emergency responders in responding to radiological transportation accidents.

This one-day course will be taught in five modules. The course instructor will be Gerald Walsh of the U. S. Department of Energy, Region 3 Radiological Assistance Program.

Registration will be from 8:30 AM until 9:00 AM and the course will begin promptly at 9:00 AM and end at 3:30 PM with a one-hour lunch break. You will be on your own for lunch; there are a number of nearby restaurants to enjoy a wide variety of menu options.

The five training modules will address:

1. Radiological Basics
2. Hazard Recognition
3. Initial Response Actions
4. Incident Control
5. Decontamination, Disposal and Documentation.

If you plan on taking the training class, please forward your name to Ms. Nairimer Berrios-Cartagena by Feb 05, 2010.
