1000 Introduction

The Nansemond Indian Nation is the only federally recognized tribe in the coastal zone. The Chickahominy Indian Tribe, the Chickahominy Indian Tribe Eastern Division, the Pamunkey Indian Tribe, and the Mattaponi Tribe are located landward, but in close proximity to the line of demarcation. One should also consult the Housing and Urban Development's Tribal Directory Assessment Tool (TDAT): <https://egis.hud.gov/TDAT/> to identify all the tribes that need to be contacted during a response.
