

Department of Planning and Natural Resources (DPNR)

Julia Plotkin, Environmental Specialist
Alfonso Garcia Jr, Environmental Specialist

1/29/2024

Divisions within the department tasked with aiding/responding to incidents:

- Division of Environmental Protection (DEP)
- Division of Fish and Wildlife (DFW)
- Division of Environmental Enforcement (DEE)

Division of Fish and Wildlife (DFW)

- Attended the 2022 Effects of Oil on Wildlife Conference in Long Beach, California.
- ICS trainings (100 & 200)
- Planning to complete HAZWOPER training
- Currently planning on attending NOAA's Office of Response and Restoration Science of Oil Spill (SOS) and Science of Chemical Releases (SOCR) classes.

Goal:

Increase communication and build relationships with entities involved in responding to incidents in our region.
