

**2010 Worker Safety and Health Technical Conference
October 20-21, 2010**

Conference Facility: The Conference will be held in EPA's East Building (Room 1151) located at 1201 Constitution Avenue, NW, Washington, D.C. Participants should enter the East building via the entrance on Constitution Avenue. Participants must have a valid government issued photo identification to enter the building and may be asked to go through a metal detector. Refreshments will be offered during morning registrations and afternoon break. Please note, no food or drinks are allowed in the conference room.

*No media coverage of this event is permitted; no cameras or recording devices are permitted.
Thank you.*
