0	0	0
LOWs	NOVs	Civil Penalty
6	1	1

* These numbers reflect CG Sector Delaware Bay data for the RRT II region only.

Tug Incidents – July 2018

Three separate incidents within a few days in July:

- 1) **RIKKI S** grounding at Barnegat jetty, hole in fuel tank, approx. 400-500 gal diesel spilled, issued NOV
- 2) **SEA CYPRESS** aground north of Lavallette – refloated with tide, no pollution. Engaged with SERT to verify potential salvage options
- 3) **EVENING TIDE** had issue with steering, came hard around and ran into own barge causing damage above the water line, no pollution.

Ongoing Initiatives

MILITARY MUNITIONS RESPONSE PLAN

CONPLAN signed by COTP, will be briefed at NRT meeting

UAS USAGE IN EMERGENCY RESPONSE

Ship-to-shore and shore-to-ship UAS supply delivery test w/ DLA in November
